My message is short and sweet. Please send your children to school every day so that they can maximise their learning potential. Every day attendance is an important part of their progress.

SCHOOL UNIFORM POLICY ENFORCEMENT

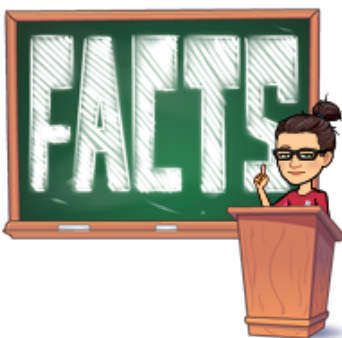

From Term 2, all students will be required to wear the school uniform correctly. This applies to all clothing items, shirts, jumpers, shorts/skorts etc. The uniform policy has required that students wear full uniform for a long time, however it will now be enforced. School uniform items can be purchased from the myKindo app. There are second hand items available when we have them. If you have any questions or concerns about this, please contact the office at your earliest convenience.

SPORT FEE PAYMENTS

All sport fees must be paid immediately!

If your child is playing a sport for Upokongaro School at the moment and they have not paid their fees they may be told they cannot play. The school cannot cover these additional costs. If there is an issue with payment please contact the office to make arrangements with us.

TEACHER ONLY DAY

Thursday the 7th of March is our school's first teacher only day for the year. Please remember that there will be no staff at school and there will be no vans for your tamariki.
